Vanderbilt Health Services dba
Vanderbilt Maury Radiation Oncology LLC
Spring Hill (Maury County), TN
CN1012-053A
Contact Person: Dan H. Elrod, Esq.
Phone: 615-503-9102

The project was approved on February 23, 2011 for the relocation of a proposed health care facility in the previously approved but unimplemented Certificate of Need (CN0804-024A) for construction of a single specialty ambulatory surgical treatment center (ASTC) limited to the initiation of megavoltage radiation therapy services. The project cost was \$7,980,617.

The following requests are made at this time:

(1) Change of Ownership. Vanderbilt Maury Radiation Oncology, LLC was inadvertently established under a provision of TN law that prohibits more than one member; the CON application contemplated two owners (Vanderbit University Medical Center and Maury Regional Medical Center). Request is being made to transfer ownership to another limited liability company to enable both parties to be members, as described more fully in Dan Elrod's letter, dated June 28, 2012. The new owner would ultimately change its name to "Vanderbilt Maury Radiation Oncology LLC."

(2) Change of Control. The CON application described the intent for Maury Regional Medical Center to be a 50% owner of the facility. The parties now desire to make Maury Regional Medical Center a 60% owner, with Vanderbilt University Medical Center owning the remaining 40%.
